<b>Section 2</b>	
<b>Local Area 911 Implementation</b>	
List all individual local areas covered by this report (e.g., Lee County, Virginia):	
<p>Barry County, Missouri</p> <p>Benton County, Missouri</p> <p>Bollinger County, Missouri</p> <p>Carter County, Missouri</p> <p>Chariton County, Missouri</p> <p>Dade County, Missouri</p> <p>Hickory County, Missouri</p> <p>McDonald County, Missouri</p> <p>Oregon County, Missouri</p> <p>Randolph County, Missouri</p> <p>Reynolds County, Missouri</p> <p>Ripley County, Missouri</p> <p>Wayne County, Missouri</p> <p>Worth County, Missouri</p>	
<p>(a) For each area listed above, identify the emergency response point to which 911 call will be routed.</p> <p>Barry County – ACI is currently awaiting a response from Commissioner Cherry Warren.</p>	

Benton County – ACI is currently awaiting a response from Commissioner Rodney Meyer.

Bollinger County – ACI is currently awaiting a response from Commissioner Ken Trentham.

Carter County – ACI is currently awaiting a response from Commissioner Gene Oakley.

Chariton County – Chariton County Sheriff Office, 660-288-3277.

Dade County – ACI is currently awaiting a response from Commissioner Rex A. Wilkinson.

Hickory County – ACI is currently awaiting a response from Commissioner Lance Hutton.

McDonald County – ACI is currently awaiting a response from Commissioner Bill Wilson.

Oregon County – ACI is currently awaiting a response from Commissioner Leo Warren.

Randolph County – ACI is currently awaiting a response from Commissioner Fred Ward.

Reynolds County – ACI is currently awaiting a response from Commissioner Paul W. Wood.

Ripley County – ACI is currently awaiting a response from Commissioner William D. Kennon Jr.

Wayne County – ACI is currently awaiting a response from Commissioner Brian M. Polk.

Worth County – Worth County Sheriff Office, 660-564-2222.

(b) For each area listed above, provide details of the carrier's progress in completing translation and other work necessary to route 911 calls to the identified emergency response point.

Barry County – ACI is currently awaiting a response from Commissioner Cherry Warren.

Benton County – ACI is currently awaiting a response from Commissioner Rodney Meyer.

Bollinger County – ACI is currently awaiting a response from Commissioner Ken Trentham.

Carter County – ACI is currently awaiting a response from Commissioner Gene Oakley.

Chariton County – Chariton County Sheriff Office, 660-288-3277. This information will be provided to ACI's network technicians at the next implementation meeting April 17, 2002.

Dade County – ACI is currently awaiting a response from Commissioner Rex A. Wilkinson.

Hickory County – ACI is currently awaiting a response from Commissioner Lance Hutton.

McDonald County – ACI is currently awaiting a response from Commissioner Bill Wilson.

Oregon County – ACI is currently awaiting a response from Commissioner Leo Warren.

Randolph County – ACI is currently awaiting a response from Commissioner Fred Ward.

Reynolds County – ACI is currently awaiting a response from Commissioner Paul W. Wood.

Ripley County – ACI is currently awaiting a response from Commissioner William D. Kennon Jr.

Wayne County – ACI is currently awaiting a response from Commissioner Brian M. Polk.

Worth County – Worth County Sheriff Office, 660-564-2222. This information will be provided to ACI's network technicians at the next implementation meeting April 17, 2002.

(c) For each area listed above, provide the date or projected date that transition to the 911 abbreviated dialing code will be completed.

By September 11, 2002

### Section 3

#### 911 Implementation Problems

- (a) Describe any problems the reporting carrier has encountered in identifying 911 number call routing points. Describe any other operational problems carrier has experienced during the initial transition stages.

March 13, 2002 letter sent to Governor Bob Holden

March 14, 2002 Larry Krajci with ACI received an email from Ric Telthorst advising that Gov. Holden was expected to soon issue an executive order designating the Mo. Office of Administration as the state facilitator for the implementation of the order. He advised that R. D. Porter, Mo. OA, had contacted him to help plan a roundtable meeting of LECs, and Wireless Service Providers (WSPs) to discuss implementation of the order.

March 28, 2002 Candy Green with ACI received a letter from Mr. R. D. Porter requesting that she contact him because he had several questions.

March 29, 2002 Ms. Green contacted Mr. Porter and answered his questions. He advised Ms. Green on this call to contact each County Commissioner for routing termination points. He provided a website address that she could not access. After several e-mails back and forth between the two he did provide her with an email address she could access to obtain the names, addresses and phone numbers of the County Commissioners.

March 29, 2002 Ms. Green sent letters to each of the County Commissioners.

- (b) Where the reporting carrier has experienced 911 implementation problems, describe any efforts the carrier has made to coordinate with public safety agencies and state and local authorities.

March 13, 2002 letter sent to Governor Bob Holden

March 14, 2002 Larry Krajci with ACI received an email from Ric Telthorst advising that Gov. Holden was expected to soon issue an executive order designating the Mo. Office of Administration as the state facilitator for the implementation of the order. He advised that R. D. Porter, Mo. OA, had contacted him to help plan a roundtable meeting of LECs, and Wireless Service Providers (WSPs) to discuss implementation of the order.

March 28, 2002 Candy Green with ACI received a letter from Mr. R. D. Porter requesting that she contact him because he had several questions.

March 29, 2002 Ms. Green contacted Mr. Porter and answered his questions. He advised Ms. Green on this call to contact each County Commissioner for routing termination points. He provided a website address that she could not access. After several e-mails back and forth between the two he did provide her with an email address she could access to obtain the names, addresses and phone numbers of the County Commissioners.

March 29, 2002 Ms. Green sent letters to each of the County Commissioners.

Of the letters sent, only two (Chariton and Worth) counties have responded to date.

Universal 911 Dialing – First Transition Report	
Please read instructions before completing	
<b>Section 1</b>	
<b>Carrier identification Information</b>	
Parent Company Name: ALLTEL Corporation	
Service Provider Name: ALLTEL Oklahoma, Inc.	
Company Address, City, State, Zip: One Allied Drive Little Rock, Arkansas 72202	
Service Provider Type <input type="checkbox"/> Wireless <input checked="" type="checkbox"/> Wireline	
Name(s) of Wireless License Holder(s)	
Contact Name:	
Contact Telephone No.:	
Fax No.:	
E-mail Address:	
<b>Section 2</b>	
<b>Local Area 911 Implementation</b>	
List all individual local areas covered by this report (e.g., Lee County, Virginia): Coal County, Oklahoma Murray County, Oklahoma Roger Mills County, Oklahoma Adair County, Oklahoma Garvin County, Oklahoma Washita County, Oklahoma	
(a) For each area listed above, identify the emergency response point to which 911 call will be routed. ALLTEL Communications Inc. is currently working with Cody B. Waddell who requested the following information from ACI 3/22/02. Name of the exchange, county(ies) served by the exchange, if 911 dialing is available in the exchange and if so, the entity receiving the calls and whether a local agency (either police, sheriff, or fire) has volunteered to accept the calls. The requested information was provided 4/3/02 by Mr. Jim Porter of ACI via email.	
(b) For each area listed above, provide details of the carrier's progress in completing translation and other work necessary to route 911 calls to the identified emergency response point. In Mr. Waddell's notice he advised that the request was a result of the 911 meeting last week between the OCC Staff and representatives of all the Oklahoma LECs. He	

stated, As you are aware, the FCC has required carriers to implement 911 dialing to an emergency response authority by Sept. 11, 2002. As was pointed out at the meeting, this is not nearly as simple a project as the FCC believes. For instance, we are still trying to determine where such calls are to be directed in Oklahoma in the absence of a PSAP or other local authority that is willing to accept such calls. In addition, we need to advise the FCC that there are more areas without 911 dialing capability than the FCC believes in their Order. Finally, we need to be able to advise the Commission and the Governor's office of the areas without 911 dialing so that one or both of them may assist with a plan for routing 911 calls to the appropriate emergency agencies. Therefore, all Oklahoma LECs are being requested to furnish the following information:

Name of Exchange

County(ies) served by Exchange

If 911 dialing is available in the Exchange and if so, the entity receiving the calls. Whether a local agency (either police, sheriff, or fire) has volunteered to accept the calls.

At the present time:

Coal County - Local recording

Murray County - Routed to Johnson County

Roger Mills County - Local recording

Adair County - Routed to Stillwell PSAP

Garvin County - Local recording

Washita County - Local recording

(c) For each area listed above, provide the date or projected date that transition to the 911 abbreviated dialing code will be completed.

By September 11, 2002

### Section 3

#### 911 Implementation Problems

- (a) Describe any problems the reporting carrier has encountered in identifying 911 number call routing points. Describe any other operational problems carrier has experienced during the initial transition stages.

As of 4/12/02 have not received routing instructions.

- (b) Where the reporting carrier has experienced 911 implementation problems, describe any efforts the carrier has made to coordinate with public safety agencies and state and local authorities.

March 13, 2002 letter sent to Governor Frank Keating

March 14, 2002 Robert Priebe of ACI was notified that Gene Thaxon in the Governor's office advised they had not made a decision yet as to whether the Governor's office would be responsible for coordinating the 911 FCC mandate but wanted us to know they are taking this issue very seriously and would get back shortly with an answer.

March 22, 2002 e-mail received from Mr. Waddell requesting county/exchange information.

March 29, 2002 Candy Green received a letter from Kenny R. Goza, Public Policy Specialist with the State of Oklahoma thanking her for her letter and advised that the letter had been forwarded to Bob Ricks, the Secretary of the Dept. of Public Safety.

April 3, 2002 email sent to Mr. Waddell with requested information.

### Section 4

#### Certification - To be signed by an authorized representative of the reporting entity

☒ I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and accurate statement of the affairs of the above-named company.

☐ I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and that the reporting entity has completed the steps necessary to properly route 911 emergency calls in the localities covered by the report as of \_\_\_\_\_.
